Subject: In case no one gets back to me tonight:

We have a very important change to make—near the top of the home page, of all places! I've tried emailing, calling and texting everyone, but no one is answering right now. It might be due to a call that's replacing the regularly scheduled 9PM Eastern time call.

Anyway, here's the paragraph they need changed on <http://www2.epa.gov/goldkingmine>:

Deliberative Process/Ex. 5

I don't know what the new language is, though. I hope to find out so that I can make the change tonight. But if I don't hear by about 11PM EST, it might shift to you. Tag, you're it! ☺

Cheers,

Tim
